All age players need to circle yes or no for every weekend listed in March thru June. Boys & Girls in Gr 10 & 11 should also circle yes or no for July dates	Available to play this weekend? YES or NO	*Even though we ask for availability for every weekend, it does not mean that the team will play every weekend. Coach will pick the weekends that the highest number of players are available and assign 10 players to each weekend the team will play to give you the number of tournaments you paid for. Once you are assigned your tournaments, the fees you paid are applied and no refunds will be given. If you decide your child cannot attend due to a conflict that arises after this sheet is turned in, unless you find a replacement player and they will pay the fees, you are responsible for fees since we have already sent in payment to tournament director.
