Renegades is a non-profit youth AAU Basketball Organization. Our program, serving the three Pennsylvania counties of Bucks, Montgomery and Philadelphia, has approximately 250 families. Our girls ages 9 through 18 play basketball year round in one of the area's largest AAU basketball programs. The Renegades program is currently in its 27th season. Our reputation is based on offering children a year round environment to improve their basketball skills. While basketball is important, the Renegades are strongly committed to teaching teamwork and building social and moral values. We accept every young player into our program that enjoys the game and wants to achieve success through our sport. We promote a mentoring relationship between our high school players and our younger children by allowing the high school players to coach in our younger fall leagues. Most players can expect to make their high school basketball teams by participating in our year round programs. Over 70 Renegades players have achieved Division 1, 2, and 3 college scholarships. Each year several teams qualify for national championship tournaments. We also prepare at least 4 to 5 boys and girls teams to compete in NCAA College showcases where their dream of playing in college can be realized. Players renew their annual club membership on September 1st of each year. This is because the National AAU Insurance coverage expires on August 31st. Girls AAU age and grade rules for 2022/2023 can be found at the following link:

Club Membership and Year-round drills and skills: When you join the Renegades and pay the yearly club membership fee of 200.00, you are entitled to attend weekly drills and skills all year round. This is \$4.16 per week and can improve the player's ball handling and shooting skills tremendously. Players that do not wish to be on a team can join our club and just do drills and skills all year if they desire for a rate of \$250 per child, 2nd child is \$225, 3rd child is \$200. The Winter Membership rate of \$100 is only for players playing on a Winter Renegades team in our own Overtime Winter League & Girls Lincoln leagues (a younger sibling only attending drills through February 2023 pays \$100 each. Any child that plays on a Renegades team needs to be a registered member of the club. This registration fee covers the AAU insurance coverage and overhead expenses such as first aid items, telephone calls, printing and mailing, coach's shirts and gym rental expense for our drill sessions. For families with more than one child, the registration fee for the second child is \$150.00, \$100 for the third child, and \$50/ each for all others beyond the first 3 children. NOTE: See the weekly DRILLS ANNOUNCEMENT on the website. Drills are held year round in our Kelly Bolish Gym. Drills are held on Sunday nights from around Thanksgiving until end of March (to not conflict with high school practices and volleyball gym rentals). Drills then switch to Monday nights from April through mid-June and then move back to Sunday nights through the summer until the Fall Walker league begins around the 3rd week of August. Drills will then run the last week of August through Thanksgiving week on Mondays until they switch back to Sundays where the drills schedule for the year starts over again.

Important info for brand new Renegades members joining 9-1-22 thru Spring 2023 During the fall/winter of 2004 the Renegades Organization built a brand new 3 court facility inside a warehouse at 2950 Turnpike Dr., Hatboro, PA. All Renegades' families at that time either procured \$500.00 worth of advertising sponsorships from local businesses or contributed a personal tax deductible donation in that amount. All brand new members that register with the club on September 1, 2022 thru Spring 2023 will not be responsible for this obligation during their first year of spring participation with the Renegades. However, if you choose to re-register for your second year with us the following September 1st, 2023 or later, then the building fund sponsorship/contribution of \$500 will be due but payment can be spread out over a 4 year period. For all those families that are re-registering for a second year with us on Sept 1, 2022 thru Spring 2023, the \$125.00 yearly donation will be due on Feb 1, 2023 and also in the following 3 years of 2024, 2025 & 2026, and needs to be paid prior to the player participating in Spring AAU evaluations. You would also have the option of obtaining a yearly business sponsorship of \$125.00. Note the building fund sponsorship only applies to players that play during the Spring AAU season. We have a Renegades Donation request letter that you can drop off at local businesses. Just email the office at parenegades@comcast.net and we will forward to you.

Spring AAU Tournament Season -

The principle segment of the AAU season is from the middle of March until the end of June. The weekend tournaments consist of 2 games on Saturday and two games on Sunday. Most of the tournaments are local within one hour's drive. The commitment during Spring constitutes two practice nights and those nights are determined by when the majority of the team is available. Practices are usually held in our Renegades Gym, 2950 Turnpike Dr., Hatboro, PA 19040, we also offer the one night of drills for those looking to continue their skill development. 4th & 5th grade girls play in 4 tournaments. 6th grade girls play in 5 tournaments. 7th grade girls and older play in 8 tournaments. We are attempting to field a 3rd grade girls team this year and they will mostly play scrimmages and one or two tournaments if available. Tournament involvement varies from team to team, depending on the availability of the players and the coach. We feel that between the practice and tournament schedule, the girls will have an excellent opportunity to enhance their level of play. The older teams participate in college showcase tournaments throughout the month of July which is the NCAA active viewing period for college evaluation. This is how players can compete for college basketball opportunities & scholarships.

In addition to payment of the Spring tournaments fee, each player will need to participate in our spring raffle fundraiser. Each player will be required to pay for 20 raffle tickets at \$5.00 each at the time when the tournaments fee is due on Mar 1st. The 100.00 will be recouped when the raffle tickets are sold. Please also be advised there will be another bingo night fundraiser in the spring. This is necessary in order to meet our financial obligations without raising the tournament fees. Each player will need to purchase two \$25.00 bingo tickets. We are attempting to field a 3rd grade girls team & the spring tournaments cost will be minimal. 3rd graders will play mostly scrimmages and maybe one or two tournaments if available.

The following fees are our 2023 spring Tournament Season.

Our spring season cost for 4th & 5th grade girls is \$490.00 which covers the cost of 4 local tournaments plus the \$150.00 raffle & bingo fundraising fee. The cost for 6th grade girls is \$610.00 which covers the cost of 4 local tournaments + the Wildwood travel tourn. plus the \$150.00 raffle & bingo fundraising fee. The cost for 7th grade girls and older teams will be \$885.00 which covers the cost of 6 local + 1 travel + Wildwood tournaments plus the \$150.00 raffle & bingo fundraising fee. Keep in mind that if a player commits to attending more than these initial number of tournaments the cost is \$85.00 for each additional local tournament and 105.00 for each additional travel tournament. Please note that there are a couple travel tournaments that cost more because the entry fees and hotel & travel costs are higher such as the Wildwood tournament cost is 120.00.00 and the Hershey tournament cost is 135.00. Note that any older players attending July college showcases will need to pay for those additional fees by Mar 1st as well. Tournament fees are based on 10 players attending each tournament so if less than 10 players attend than the individual's tournament fee will be a little higher. These tournament fees include coaches' mileage to tournaments and practices, coach's hotel & food costs, and also gym rental expense for practices. All Spring tournament fees, fundraising fees, college showcase fees and uniform fees are due in advance and not later than Mar 1st. UNTIL ALL OUTSTANDING FEES DUE ARE PAID, NO PLAYER WILL BE PLACED ON A TEAM. Summer college showcase tournaments that high school players enter are much more expensive to attend. The cost per player in 2023 is between \$135.00 and \$175.00 per college showcase. Please note that the number of players on the team can raise or lower the individual cost. The entry fee for a Summer College Exposure Blue Chip event can cost 1000.00 depending on age and number of games. The Summer USJN College Exposure events can cost \$1000.00 for a single older team entry. Note that payment for College Exposure tournaments is due Mar 1st and is an additional amount above the base spring tournaments fee. Most teams will carry a minimum of 12 players. Ten players will be assigned to participate in each tournament. The determination of who plays each week is facilitated by having each player fill out a tournament availability sheet that is handed out at evaluations. Coaches/players/parent guidelines are also issued at this time. Please be advised that once a player is scheduled for a Spring AAU tournament no credit can be issued unless the player becomes injured. If a player withdraws from a tournament after the schedule is set, then that player must find a replacement player to take her place. The replacement player's parents would then pay for their involvement to the player that withdrew.

We need a copy all players' birth certificate. Any players that participate in a Mid-Atlantic regional needs to provide a photocopy of the section of the athlete's report card which shows name, grade, current school year and school OR confirmation of grade level signed by a school administrator (guidance counselor, principal, dean etc.) on school letterhead with current school year and date. *Renegades Tryout/Evaluation Schedule for 2023 Spring Season will be posted on website.* Renegades Spring evaluations will take place usually around the middle of February thru the beginning of March 2023 (when HS player HS season ends). Prior to participating in Renegades AAU Spring evaluations, all players must be registered club members and in good financial standing. Registration forms are available on our website. We are allowing brand new players to initially register online & pay a non-refundable \$50 Spring Tryout fee and purchase their own \$16 aaU card and if they play on a spring team the \$200 club membership fee will be due but we will deduct the \$66 already paid. New players need to pay 120.00 for new 3 piece uniform set for grade 7 and older or \$50.00 for 2 piece set for younger grades 6th grade and under to 1st or 2nd evaluation. Be advised that the club registration fee of 200.00 is non-refundable since all registered players are assigned to a team. Any brand new players that become interested in joining after March 1st, please email the office at renegadesscheduling@gmail.com. We will do our best to place you on one of our existing teams. Please note that all players participating on a Spring AAU team must pay the full club membership fee of 200.00 no matter when they first enter the club. If you join in February/March 2023 the 200.00 membership cost covers the player until August 31, 2023.

General Info

The commitment to being a Renegade means being available for at least 80% of the practices. Most coaches demand this minimum attendance. Most coaches will be somewhat flexible in scheduling practices for the multi-sport athlete. Information for the organization is processed through our website: www.renegadesbasketball.com Every Monday, the practice schedule details for the upcoming week are posted on our website. Team parents communicate team information via e-mail. We ask that all parents check their e-mail daily during basketball season and reply promptly when team parents request information. Remember, that player development happens as a result of participation in drills and practices, as well as the tournament games. The best players are usually those that are equally committed to each of these segments of player development. We are dedicated to providing the best possible environment for every committed player, regardless of their level of talent.
